**PETITION TO INTERVENE**

Pursuant to 83 Ill. Admin. Code § 200.200, Illinois Power Company ("IPC") hereby petitions the Illinois Commerce Commission ("Commission") to be permitted to intervene as a party in the above-captioned proceeding. In support of its Petition, IPC states:

1. This docket relates to a request for the Commission to approve changes to each company's market value tariff rider ("Rider MV"). This request would permit each company to change their method of calculating market value from the Neutral Fact Finder ("NFF") values currently in place to values relating to applicable market traded contracts.

2. IPC is a combination gas and electric utility regulated by the Commission which owns and operates electric generation under the Commission's jurisdiction. On June 5, 2000, IPC filed its own tariffs related to replacing the NFF values with a market value index, and IPC may be affected by the decision of the Commission in this docket.

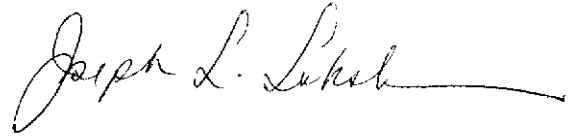

3. IPC wishes to participate in the proceeding and present its position on the issues raised by the parties.

4. IPC requests that the following be added to the service list in this consolidated proceeding:

WHEREFORE, Illinois Power Company prays for leave to intervene and to be treated as a party to this proceeding pursuant to Section 200.200 of the Commission's Rules of Practice.

Respectfully submitted,
